### PLEASE READ CAREFULLY BEFORE SIGNING:

A \$200.00 Non-refundable deposit is due at the time of booking the date of the trip. A deposit of 50% of the charter price must be received by the date noted below to hold the charter. If the deposit is not received by this date, the charter will be cancelled without notice. Balance for the charter is due by the date noted below.

In the event the charter group does not appear on the chartered fishing date, all deposited funds, up to 50% of the charter price, will be forfeited. This forfeit can be avoided by delivering notice of cancellation at least 30 days prior to the fishing date.

In the event the skipper of the boat, in his sole discretion, determines that in the interest of safety to the passengers or crew, the charter should be cancelled, the charter group shall be responsible for all reasonable expenses actually incurred, up to the charter price. If the cause for the cancellation is the misconduct of any passenger, the entire charter price will be retained. Such misconduct may include but not limited to drunkenness, belligerence, violence or other such behavior.

Due to possible fuel price increases, it may be necessary to adjust charter price slightly. You will be notified in advance if this becomes necessary. Season rates in effect.
